Tips & Tricks

PREHEAT

The unit preheats quickly, so prep all ingredients before preheating. Time will start counting down immediately after the unit is preheated. To add time simply turn the dial.

Food cooks faster with Air Roast so for traditional oven recipes, lower the cook time and temperature.

For greasy or battered items in the air fry basket, place the pan underneath it on the wire rack.

For marinades containing sugar, honey, or other sweeteners, brush onto proteins halfway through broiling to avoid burning.

Halfway through cooking, rotate air fry basket 180° or flip ingredients for crispier results.

When using the Bagel function, place bagels cut-side up on the rack.

Spray air fry basket with nonstick cooking spray to minimize sticking.

For sheet pan meals, cut ingredients to the same size for optimal results.

Place ingredients in 1 layer when using the basket for air frying.

For best results with baked goods such as cookies, line the Ninja® Sheet Pan with parchment paper.

Honey Sriracha Lime Chicken Wings

BEGINNER RECIPE ●○○

PREP: 10 MINUTES | **MARINATE:** 1-24 HOURS | **AIR FRY:** 20-25 MINUTES | **MAKES:** 4-6 SERVINGS

INGREDIENTS

3 tablespoons sriracha sauce	1 tablespoon ground ginger
1/4 cup honey	Zest and juice of 2 limes
2 tablespoons soy sauce	2 1/2 pounds fresh uncooked chicken wings
1 tablespoon brown sugar	

DIRECTIONS

In a bowl, stir together all ingredients, except chicken wings.

Coat chicken wings with half the sauce in a large resealable plastic bag; reserve remaining sauce. Let marinate in the refrigerator for at least 1 hour and up to 24 hours.
